- **Crisis Management** (emergency population warning systems, crisis management, command and control)

The jury assessing the candidates are all international experts with a high reputation in their field. The awards will be handed out at the event, on Tuesday 21 November 2017.

International Business Meetings – Business meetings between exhibitors and visitors

Organised from 21 to 23 November in partnership with the Paris Île-de-France Chamber of Commerce and Industry, these business meetings are scheduled prior to the trade fair using the special contacts platform. They are targeted according to specific criteria to optimise contact quality. Whether you're embarking on a new business collaboration, ensuring potential for development for a given product or identifying a pertinent partnership, these meetings are full of promise.

A zone for demonstrations and exhibitor workshops

Right at the heart of the trade fair, exhibitors can put on dynamic demonstrations of their products, equipment and manoeuvres during interventions. A room is also available to promote their products, services and innovations in workshops/presentations.

About Milipol

Milipol Paris, an international event for internal State security organized under the aegis of the French Ministry for the Interior, in partnership with the French National Police and Gendarmerie, the French Civil Security and Crisis Management Department, the Ministry of Economy and Finance, the French Customs Department, the French Community Police and Interpol. For more than 30 years the Milipol brand has been synonymous with high quality international trade shows involved in internal State security matters.

Over the years the Milipol trademark has been proudly represented by Milipol Paris and Milipol Qatar. At present the Milipol network is growing with an Asia Pacific edition that completes the offer responding to a strong demand from the sector's main actors. Milipol is taking over Global Security Asia, an exhibition created in 2005 and renamed Milipol Asia-Pacific. As a result, Milipol is establishing a wider scope in its domain by including a highly successful and reputable event.
