POLICE NATIONALE

# MILIPOL PARIS, international high quality business platform

**Milipol Paris is a must-attend event for a leading player in Security like Thales.**

It is a unique opportunity to meet clients, partners and governmental bodies from all over the world and show them our technological innovations in the field of security for cities, states, big events and citizens."

**We've had a fantastic exhibition. It is a real place to be when you are involved in security market.**

The quality of visitors has been excellent and consistent across all days – a true testament to the efficient targeting of the events' marketing campaign. Well worth the investment! Looking forward to the next event.
